Picture.Me.Here

~ A Photo Storytelling Program for Refugees

Featuring:

~ Brigid McAuliffe, Program Director

Hear about the origins of the Picture Me Here program and what led to the "Damak to Denver" project -- working with Bhutanese youth while they were still living in a refugee camp in Nepal, but approaching resettlement to Colorado.

See a selection of photographs from all the projects since the program started in 2012 through today, and hear the stories behind the pictures.

Some of the students in the project will be joining us for dinner.
